Volume 11 Number 8

September 2007

## Council Approves Potential Village Projects for Upcoming Years

The Village Council has approved the local Infrastructure Capital Improvement Plan (ICIP). This plan details improvements and projects planned over the next four years and includes anticipated costs as well as potential funding sources for projects. A project may be on this list for a specific year but might be moved up or down depending on funding.

The council would like to obtain partial or total funding for the following projects in 2008-2009:

- West side fire station which has an estimated cost of \$1.25 million.
- Water system improvements to meet arsenic requirements, \$7 million.
- Reconstruction of the intersection of NM Highway 314 and Main Street on the south side, \$3.66 million.
- Westside park and tennis complex, \$500,000.
- Expansion of Senior Center on Don Pasqual, \$500,000.

The projects are in the order of importance as

voted on by the council. The council also voted projects for succeeding years. The top projects for other years are:

2009-2010: Interstate 25 interchange and bridge, westside fire station equipment, water well number seven, street overlays and east side recycle center.

2010-2011: Morris Road extension, landfill purchase and/or construction, property acquisition, Chavez lift station, and westside soccer complex.

2011-2012: sludge site improvements; westside recreation center; municipal ampitheater; and NM 314 and Main Street north reconstruction.

2012-2013: east side fire station, westside water line and booster pumps, storm water management, westside skate park and northern loop corridor construction.

When any of these projects are completed or even worked on is dependent upon obtaining financing. Funding comes from a variety of sources including grants, legislative appropriations, loans, and bonds.

## Mayor Receives Achievement Award

Los Lunas Mayor Louis F. Huning and Belen Mayor Ronnie Torres received Lifetime Achievement Awards from the Mid-Region Council of Governments at its annual meeting held at Sandia Hotel and Resort August 10.

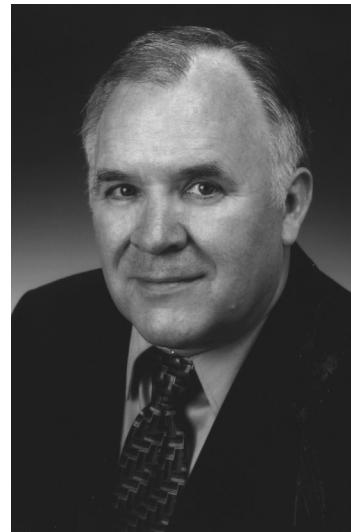

Huning has been mayor of Los Lunas since 1982 when the village population was about 1,000. The December 2006 estimated population was 14,489.

Additional housing, jobs and retail have been established in the village during Huning's tenure. Most recently Merillat Corporation Inc. opened its doors in Los Morros Industrial Park.

New businesses continually open to serve the needs of residents and visitors to Los Lunas. Grocery stores, specialty shops, restaurants and many other businesses serve the needs of residents and visitors.

The village offers many services including special events at the now 15 parks in the municipality. The village is constantly improving the community infrastructure under Huning and the council.

Huning is married to the former Nancy Mountain. They have two children who are now attending New Mexico State University.

Mayor Louis Huning

# Take The Rail Runner!

The Rail Runner is no longer running on weekends from Belen to Highway 550 in Sandoval County but it stops in Los Lunas three times northbound in the morning, once in early afternoon northbound and three times southbound Monday through Friday.

The village does offer some transportation to the Rail Runner station located at Juan Perea and Court-house Roads.

Call the Transportation Department at 352-3595 for information about riding the village vans.

## 2007 GARBAGE PICKUP DAYS

The remaining 2007 special pickup days are:

HOLIDAY OBSERVED	REGULAR TRASH PICKUP DAY	WILL BE PICKED UP ON

Christmas		
Holiday	Tuesday Dec. 25	Wednesday Dec. 26
New Year's	Tuesday Jan. 1 2008	Wednesday Jan. 2 2008

## Attend A Council Meeting!

The Los Lunas Village Council meets twice a month in the council chambers in the Administration Building on the corner of Don Pasqual and Main Street.

Remaining meeting dates for 2007 are:

September 20 October 4 & 18  
November 1 & 29 December 6 & 20

Meetings begin at 6 p.m. Once in a while meetings are rescheduled so check with village officials at 839-3840 to be sure a meeting has not been changed.

The agenda will be available at least twenty-four (24) hours prior to the scheduled meeting from the bulletin board in the lobby of the Administration Building, at 660 Main Street NW, Los Lunas, NM; the Los Lunas Library located at 460 Main Street NE; and posted on the village website (address: [www.loslunasnm.gov](http://www.loslunasnm.gov)).

## Utilities Director Completes Leadership New Mexico

Village Public Works Director Betty Behrend has completed the Leadership New Mexico School.

Behrend said she believes leaders should be open to learn from the ones they lead.

"I define leadership as the ability to inspire others to achieve set goals," said Behrend. "This is accomplished by conveying your perspectives, setting an example, and empowering others to go forward."

She participated in the Leadership New Mexico program because of her belief that strong partnerships will enhance understanding of problems facing New Mexico and the ability to take New Mexico forward.

Her vision for New Mexico is a state that is rich in tradition and culture and has the resources to provide opportunities for all residents to achieve economic and quality-of-life goals.

Behrend said, "I hope to utilize the knowledge and contacts gained through Leadership New Mexico to help lead New Mexico toward this vision."

Village administrator Phillip Jaramillo and Mayor Louis Huning have completed the Leadership course.

## Community Tidbits

Are you being careful when you water so you don't waste our precious commodity? Water your plants, not the pavement.

Notice graffiti? Report it to the Village Parks and Recreation Department at 352-3584.

Safety should be the Number One Priority for everyone. That means driving safely so be sure you're concentrating on your driving, not your makeup, lunch or cell phone

The village is a great community. Show your respect for our community by treating it properly.

# MOBILITY PLAN BEING UPDATED

The Valencia County Mobility Plan is undergoing an updating.

The Mobility Plan is a long range transportation plan for the county completed in May 2006. The plan looks at past trends, current patterns and projected needs for the next twenty years. Specific infrastructure projects with cost estimates are included.

The plan is being updated due to more information including 2030 population estimates and employment forecasts, additional neighborhood input, more crash data, additional development information, rising costs and a new participant, the Town of Peralta.

Local governments are involved in the update as well as citizens. The Mid-Region Council of Govern-

ments (MR COG) provides the management and technical support for the plan.

The updating will be conducted from Summer 2007 to Summer 2008. The process includes workshops to identify proposed changes, a draft updated plan, public review and comment and the Valencia County Steering Committee and local government action.

The final products will include an updated prioritized list of transportation actions and projects for the county.

Loretta Tollefson of MR COG is coordinating the update process. Information about the updating is available at the MR COG website, [www.mrcog-nm.gov](http://www.mrcog-nm.gov) or call Tollefson at MR COG 247-1750.

# CLEAN UP WEEDS

Fall is clean up time for weeds. Many of us are faced with tackling weeds and overgrowth in residential yards, vacant lots, or encroaching upon public rights-of-way.

Overgrowth and weeds can become a breeding ground and harbor for rodents or insects such as mosquitoes. Overgrowth can also become a fire hazard.

Team work in the village is essential to combat the overgrowth problem. The Village's Planning and Zoning Department strives to work in partnership with residents, businesses, neighborhood associations, public service groups and other village departments to make Los Lunas a great place to live and work.

Call the Village's Planning and Zoning Department to discuss overgrown weeds or vegetation encroachment.

So let's all work together to cut our weeds, get rid of our junk, even in the public rights-of-way so our community can look clean and beautiful.

# WANTED LOS LUNAS POLICE OFFICERS

The Los Lunas Police Department is accepting applications for the position of Police Officer.

Minimum requirements are:

- At least 21 years old
- High school diploma or GED
- No domestic violence or felony convictions
- No DWI convictions during the last 7 years
- Be able to pass a physical agility and written test

Certified officers are preferred but the village accepts non-certified applications.

Certified officers start at \$13.26 per hour on probation. Uncertified start at \$12.25 per hour.

Benefits include 100% insurance, 50% dental, annual and sick leave accrued on a monthly basis, 11 paid holidays with 20 and 22 year retirement plans.

There's more — bike patrol, criminal investigations, community policing, traffic enforcement, and S.W.A.T. as well as educational opportunities.

Pick up your application at the Los Lunas Police Department located in the Village Administration Building, Don Pasqual and Main Street, Monday through Friday 8 AM through 4 PM.

And remember — the Los Lunas Police Department is an equal opportunity employer.

# Trek for Trash
