CHILE FESTIVAL CANCELED

Organizers of the Chile Festival, held in early September the past few years, have canceled this year's event, but hope to be back in 2016.

Roxanne Wagner, who with her husband Jimmy, runs Wagner's Farmland Experience, said that unforeseen circumstances caused the cancellation.

The couple looks forward to continuing the tradition they built in Los Lunas.

FOOD BANK DISTRIBUTION ON LAST THURSDAYS

On the last Thursday of the month the Roadrunner Food Bank distributes food to seniors from 9 a.m. to 11 a.m. at the Fred Luna Multigenerational Center on Don Pasqual behind the Village Administration Building.

Each distribution supplies 20 to 50 pounds of food to 50 households made up of approximately 10% bread/pastry, 40% produce, and 50% miscellaneous items, such as meat, dry goods, and dairy

In Spring 2015, the Mid-West New Mexico Community Action Program in Los Lunas applied for and was awarded the Roadrunner Food Bank's Senior Hunger Initiative Grant for the 2015-2017 calendar years.

The Older Americans Program and the Village of Los Lunas are partnering on this project, which provides nutritious food directly to seniors.

For more information on the program call 505 866-0466 or 505 839-3853.

SCHOOL IS BACK IN SESSION

Watch for school zones and obey the speed limits in those zones.

A bench to rest on and a wide smooth path are among the features of the trails at El Cerro de Los Lunas.

EL CERRO PRESERVE OFFERS NATURE WALKS

If you are looking for a great nature walk with far-ranging views then head to El Cerro de Los Lunas, the landmark hill for Los Lunas on the west side of I-25.

El Cerro de Los Lunas Preserve offers outdoor recreational activities, such as walking, hiking, biking and even horseback riding.

The preserve is kept clean and attractive by Village employees and is a pleasant place any time of day.

El Cerro de Los Lunas Preserve contains approximately 1,444 acres of natural open space. The land was donated to the Village in 2006 by the Huning Land Trust.

In June 2007 the Village created the Open Space Division to meet educational and enforcement needs for the open space. The division is part of the Village of Los Lunas Community Services Department.

Open Space Park Rangers carry out conservation efforts to protect plant and animal life from fire, disease, and visitor usage, along with historical artifacts.

The rangers also protect the natural resources through resource management practices, including deterring theft of natural resources and artifacts, and preventing illegal dumping and graffiti.

The Trailhead entrance for the preserve is located off Highway 6 about three miles west of Interstate 25.

The three main trails currently open to the public are the Overlook Trail, the Bowl Trail, and the Trailhead. Signs with arrows help guide you along the trails.

OBTAIN PERMIT FOR CONTROLLED /OPEN BURN

With fall fast approaching many of us are looking to clean up outdoor debris.

If you are a resident of the Village and plan on conducting a controlled/open burn in the Village limits then you must first obtain a burn permit.

An application may be obtained from the Los Lunas Fire Department, located at 465 Main Street SE, Monday through Friday from 8 a.m. to 5 p.m. The application is also available on the Village's website.

All applications must be taken to the Fire Department for approval.

Anyone burning without a valid permit could be issued a citation to court for ordinance violation, and may be subject to a fine or jail time.

Burn permits are no charge to the public.

If you have any questions regarding burn permits contact the Village of Los Lunas Fire Department at 505 839-3847 or 505 866-2116.
