## GROSS RECEIPTS TAX INCREASES

The gross receipts tax collected in the Village will increase by 3/8 of one percent effective Jan. 1, 2020, after the Village Council approved the increase.

The new total rate will be 8.675% in the Village.

It is anticipated the tax will generate more revenue and make up for the loss of reduced amounts of hold harmless revenue from the state.

The state has estimated that the tax would generate an additional \$2.2 million per year to help provide services throughout the Village.

Of the new 8.675% gross receipts tax, 5.125% goes to the state. The village portion of the tax is currently 1.8125% and with the proposed increase it would go to just over 2%. The county portion of the GRT tax is 1.375%.

## GOODWILL SOURCE FOR JOBS, TRAINING

Goodwill is more than gently-used clothing, household items and furniture. Goodwill is also a source for skills training and finding a job.

Goodwill Career Specialist Jonna Toledo helps people find jobs in the community for free. She helps people over 18 create or revise a resume, practice interviewing skills, and can help with job applications.

A Goodwill teacher/trainer offers a computer basics training class at The Workforce Connections usually on the first Friday of the month. On the following Monday she does trainings at the Los Lunas Goodwill that include Job Applications and Resumes plus Interviewing Skills.

Goodwill in Los Lunas has a computer lab that anyone can use, for free, to search or apply for jobs.

Free training classes are offered at the Albuquerque Goodwill at 5000 San Mateo NE, Information about classes can be found online at [Goodwillnm.org](http://Goodwillnm.org).

People often only think of Goodwill as a place to go and get good items at a good price, but there is much more to the organization.

Jonna Toledo points out that Goodwill is a non-profit organization that "gives back" to the community.

Halloween is coming up so remember that Goodwill is a great place to find costumes and decorations on a budget!

The Goodwill store in Los Lunas is located at 201 Desert Willow Road NW, open 9 a.m. to 8 p.m. Monday through Saturday and 10 a.m. to 6 p.m. Sunday, phone 505 944-0286.

The Village has an inventory of Village signs with a database managing the data. There is a management, maintenance, and replacement process for the signs.

The 2,238 traffic signs are 1,000 street name signs (949 in 2015); 687 stop signs; 243 20 MPH signs; 93 30 MPH signs; 115 Watch for Children signs; 10 Yield signs; 10 Pedestrian Crossing signs; and 50 Bike Lane signs.

## FIRE DEPARTMENT OPEN HOUSE OCT. 12

The Village of Los Lunas Fire Department has teamed up with the National Fire Protection Association, the official sponsor of Fire Prevention Week for more than 90 years, for the 2019 Fire Prevention Week campaign, "Not Every Hero Wears a Cape. Plan and Practice Your Escape!"

The campaign works to educate people about the small, but essential, actions necessary to keep themselves and those around them safe.

NFPA statistics show that in 2017 U.S. fire departments responded to 357,000 home structure fires which caused 2,630 deaths and 10,600 injuries.

While NFPA and the Village of Los Lunas Fire Department are focusing on home fires, these messages apply to virtually any location.

"Situational awareness is a skill people need to use wherever they go," said Los Lunas Fire Chief John Gabaldon.

He continued, "No matter where you are, look for available exits. If the alarm system sounds, take it seriously, and exit the building immediately."

The Village Fire Department is hosting a series of events in support of this year's Fire Prevention Week campaign including a Public Safety Education and Prevention Open House October 12, 2019, at the Los Lunas Fire Station #1 at 465 Main St 9 a.m. to 1 p.m.

To find out more about Fire Prevention Week programs and activities in Los Lunas, contact the Village Fire Department at 505 866-2116.

For more general information about Fire Prevention Week and home escape planning, visit [www.fpw.org](http://www.fpw.org).
