UTILITY BILLING STATEMENTS PROCESSED BY VILLAGE

Beginning February 2020, the Village of Los Lunas will process your Utility Billing statements in house in the Utility Billing Division.

Previously, the statements had been outsourced to an out-of-state organization. Folks in the Utility Billing Division are eager to have this process brought back locally to serve the residents of the Village.

Any questions regarding this matter, please call the Utility Billing office at 505 839-3841.

NEW SEWER RATE

The Village sewer average calculation for single family residential accounts will be reflected on the March Village sewer statement once February's usage is registered.

This will be the new sewer average/ rate for the year until calculated again in February 2021.

MORE FUNDING HELPS VILLAGE PROJECTS

The Village of Los Lunas Public Works Department has started several improvement projects in 2020 thanks to the Village receiving additional funding.

- The Transfer Station Composting Facility was awarded \$912,808.83.

This project will turn green waste and sludge waste from the wastewater treatment facility into Class A compost material.

Compost has 100% nutrient value and will save the Solid Waste Division landfill disposal fees and the Parks and Recreation Department the cost of fertilizers used in the parks.

- Water Well No. 3 replacement Phase I, \$1,318,396.24.

Current Water Well No. 3 was constructed in 1969.

This improvement project will drill a new deeper water well with a stainless-steel casing rather than the previous cast-iron pipe.

Water pumping capacity will increase by 40% due to design and larger pumps.

- Effluent Loadout Station, \$311,420.00.

This project will store and transfer effluent water from the wastewater treatment facility to water trucks used at construction sites for dust control including street sweeping.

Contractors will be charged a reduced price which will save drinking water from being used in construction site development. This project is part of the 2018 Village of Los Lunas Water Conservation Plan.

- New effluent line at wastewater treatment plant, \$975,850. The new 24" effluent waterline will support Village of Los Lunas growth for the next 50 years.

Currently, the 18" water line was constructed in 1979 and has reached 80% of its conveyance capacity. The new 28" effluent waterline will allow the Village to take the current 18" waterline off-line and refurbish it for continued use.

KING OF THE HILL COURSE CHANGES

The course for the March 7, 2020, King of the Hill race has changed.

Due to new construction in the area around the water tank, the 5k course has been slightly altered. Since all three races run the 5k course it affects all races.

Now the 5k course will utilize more of the Bowl Trail.

The races take place on the challenging trails of El Cerro de Los Lunas Preserve with beautiful views and large elevation changes on the 10k and half marathon course.

Until Feb. 22, the registration fee is \$35 for the 5k; \$40 for 10k and 10k rucksack; and \$50 for the half marathon. The price increases \$5 Feb. 22 – March 7.

FRESH GOURMET POPS AT PALETA

The Paleta Bar, home to fresh gourmet Mexican pops, has arrived in Los Lunas at 1651 Main Street SW Suite D.

Paletas is Spanish for ice pops which are handmade daily with a fruit and cream base. The paletas are produced from natural fruits.

Paletas come in a unique format with different flavors.

At The Paleta Bar you have the choice of dark chocolate, white chocolate, or milk chocolate.

Toppings include pecan, pinon, peanut, coconut, chile powder, sprinkles, plus others.

Flavors can be combined or ordered solo with a paleta that can be fully dipped, half dipped, or drizzled. A plain paleta can be ordered also.

Also available at the Paleta Bar are fruit cups, jerky bags, Juanpuccinos, elote (corn), Dorinachos, and Paletas can be ordered in family packs.

Online ordering is available from The Paleta Bar website thepaletabar.com. Los Lunas phone 505 200-2759. Open at 1651 Main Street SW Suite D Monday through Thursday 11 a.m. to 9 p.m. and Friday, Saturday, and Sunday, 11 a.m. to 10 p.m.

Each paleta made individually.

MARIO'S BARBER SHOP NOW OPEN

When he was twelve-years-old Mario Sandoval picked up a pair of scissors and wanted to cut hair. He's not put them down much since then. Now he's opened Mario's Barber Shop on Sun Ranch Village Loop..

Mario is one of two barbers at the shop. The other is Nathan Chavez. There are three other chairs that could have barbers. Mario is looking for barbers who would be the perfect fit for his shop.

In addition to a regular haircut at Mario's Barber Shops, you can also get a razor fade, straight razor fade, beard trim (no cut), beard lineup (no cut), and a haircut with beard trim and lineup. Also available are designs and edge ups. Discounts are offered to military, seniors, and "badges."

Babies who get their first haircut at Mario's Barber Shop can receive a "My First Haircut" certificate commemorating the occasion.

Mario worked for ten years at Jake's Barber Shop in Los Lunas. He was motivated to open his own business by his growing family. He and his wife Sarah have three children, a four-year old daughter, and two sons, aged two years and seven months (who recently received his own first haircut Certificate). A 2008 Los Lunas High School graduate, Mario has spent his life in the Village. He encourages people to try his family friendly barber shop with its amenities.

Mario's Barber Shop is located at 2210 Sun Ranch Village Loop SW Suite C, phone 505 550-9473. Open Tuesday through Saturday 8 a.m. to 6 p.m. You can find Mario's Barber Shop on Facebook and Instagram.

\$6 MILLION GRANT BENEFITS BUS SERVICE

The Rio Metro Regional Transit District will design and build a new transit facility in Los Lunas to support its Valencia County bus service thanks to a \$6 million grant from the highly competitive Section 5339(b) Bus and Bus Facilities program.

The Federal Transit Administration (FTA) received 318 applications requesting a total of \$1.9 billion, but could only award 94 projects, including Rio Metro's, from the \$423 million available.

With this grant and an additional \$1.5 million in matching funds, Rio Metro will design and construct a new transit facility in Los Lunas to support its Valencia County bus services.

Design will begin in 2020 and construction is expected to commence in 2021.

The project will include administration/operations and storage buildings; staff, visitor and bus parking areas; utilities; drainage; landscaping; fencing and gates; security cameras and access controls.

Pending future funding, the facility will also feature expanded bus parking, a maintenance building, wash bay, and fuel island.

The new facility will enable Rio Metro to relocate its bus administration and operations from two at-capacity facilities leased from the Village of Los Lunas and shared with other Village services.

It will also give Rio Metro the ability to enlarge its bus fleet in future years and provide even more service to Valencia County residents.
