# 2021 ANNUAL VILLAGE POLICE REPORT

The annual Village of Los Lunas police report for 2021 has been released and is available on the Village website at [loslunasnm.gov](http://loslunasnm.gov).

October's Village News featured a variety of information from this report. Here's some more interesting tidbits:

There were 337 arrests in the Village of Los Lunas in 2021.

The number of arrests by type:

- Aggravated Assault 51
- All Other Larceny 6
- All Other Offenses 14
- Arson 2
- Burglary / Breaking & Entering 15
- Destruction / Damage / Property 9
- Disorderly Conduct 5
- Driving Under the Influence 82
- Drug Equipment Violations 1
- Drugs / Narcotics Violations 20
- Embezzlement 1
- Family Offenses, non-violent 3
- Impersonation 3
- Intimidation 7
- Motor Vehicle Theft 1
- Robbery 1
- Shoplifting 31
- Simple Assault 47
- Stolen Property Offenses 21
- Trespassing 15

Incident reports by crime type totaled 1,607 broken down into Crimes Against persons, 329 Crimes Against Property, 1,215; and Crimes Against Society, 63.

A further breakdown of the incidents can be found in the website report at [loslunasnm.gov](http://loslunasnm.gov).

Response to Resistance by a police officer "is an extremely sensitive issue and requires careful study and understanding by every police officer," says the report. "Although the careful use of force is authorized by law, the use of unnecessary or unreasonable force is strictly prohibited and is not tolerated."

The Los Lunas Police Department Response to Resistance policy permits officers to use only reasonable force necessary to effect lawful objectives in responding to perceived threats. Each time an officer with LL PD uses force, a supervisor conducts an extensive review of the facts and the circumstances surrounding the incident, says the report.

There were 51 "occurrences" of force in the police department in 2021 broken down into seven types of force -- bodily force (23); taser (6); firearm (6); no occurrences for the expandable baton; less lethal than baton (1); other (12); and emergency medical, (3).

LLPD takes complaints against its members seriously. The public has a right to expect and demand fair and impartial law enforcement services. When providing these services, department employees must be free to exercise their best judgment and to initiate action in a reasonable, lawful, and impartial manner and without fear of reprisal.

While the mutual rights of the public and the police officer are normally respected common situations may arise when these rights are reported to be violated. To protect the rights of the public and department employees, it is necessary that allegations of misconduct be thoroughly investigated.

Outcomes of citizen complaint investigations are classified as exonerated, not sustained, sustained, unfounded, sustained violation not based on original complaint, violation not based, mediation and administratively closed. In 2021 the village had 18 citizen complaints with five of those exonerated, three not sustained, two sustained, four unfounded, and four administratively closed.

LPD K9 officer Perone participated in 13 call outs in 2021, one apprehension, four drug cases, and five community events.

The LL PD is hiring so check out the website [loslunasnm.gov](http://loslunasnm.gov).

Editor's note: In the October 2022 of the Village News we shared with you the first part of this story about the Los Lunas Police Department. The information discussed is all from Calendar Year 2021.
