THE FISCAL YEAR 2022 BUDGET

Wondering how the Village of Los Lunas spends money? Satisfy your curiosity by going to the Village website, loslunasnm.gov, to look at the Fiscal Year 2022 budget which is for July 1, 2021, through June 30, 2022.

Village staff is in the process of preparing the Fiscal Year 2023 budget which will be approved by the Village Council.

The approved 2022 \$84,972,267 budget includes information demonstrating how the Village will use its resources to deliver superior services and programs to Los Lunas residents, visitors, and businesses.

The Village has projected to receive \$68,408,867 in revenues, an increase of \$10,761,571 or 19% from the prior year.

Revenues are received from gross receipts taxes, intergovernmental grants, charges for services, other taxes, and miscellaneous revenues.

The largest source of revenues is received from gross receipts taxes. However, the Village expects to receive \$22,094,633 from intergovernmental grants / distributions, which accounts for the majority of the increase in revenues.

The Village projects to spend \$84,972,267 in expenditures, an increase of \$39,078,190 or 85% from the prior year.

Expenditure categories include capital outlay, personnel services, operating costs, debt service, purchased property services, contractual services, supplies, and employee training costs.

Capital outlay expenditures account for \$48,209,693, or 57% of the total budget, and represent the majority of the projected increase in expenditures.

A complete list of capital outlay expenditures is in the budget at loslunasnm.gov.

The FY 2022 budget was created with the following goals:

- Balance ongoing expenditures with future revenues and limit new reoccurring expenditures.
- Competitively compensate employees relative to market conditions and maintain pay equity in comparable positions internally by faithfully implementing the Council approved compensation and classification plan.

To that end, the FY 2022 budget contains a step increase on the Village's pay plan along with a 2% market rate adjustment for all eligible employees.

- Continue to offer competitive employee benefits. The FY 2022 budget contains funding for the Village to continue paying 100% of the medical insurance premium for employees, and between 80-90% of the medical insurance premium for dependent coverage, depending on salary level, and 67% of employees' retirement contribution.
- Take advantage of projected one-time revenue to pay for numerous one-time capital outlay purchases and projects.

THINGS TO REMEMBER WHEN WALKING

Summer mornings can be a perfect time to walk in the Village, but safety needs to be a prime consideration when walking.

Walk on the sidewalk if there is one, say Los Lunas Police officers.

If no sidewalk, walk facing traffic. If there is no sidewalk and you must walk on the road, be sure to walk facing traffic.

Be safe. Be seen. Brightly colored clothing makes it easier for drivers to see you during the daytime.

At night, you need a flashlight or special reflective material on your shoes, cap, and jacket or on your arms or legs that bounce the car's lights off you and back to the driver.

This light should caution the driver that there is something or someone moving and they should slow down and be careful.

Remember that those coming down the street can't always see you!
