Pre Hire Assessment

1. **Physical Agility:** Currently we are using the physical agility test required by the New Mexico Law Enforcement Academy for entrance requirements. (Must pass in order to continue in the selection process)
2. **Written Exam:** The written exam consists of multiple choice and fill in the blank questions. All applicants are allowed two (2) hours to complete the exam. Applicants must pass with a 70% or greater to continue in the selection process.
3. **Background Investigation:** Upon receipt of your personal integrity questionnaire, the background phase will begin. The personnel packet will be assigned to an investigator who will conduct a thorough background check. When an applicant has successfully completed the background, the investigator will make his / her recommendation to the Chief for an oral interview.
4. **Oral Interview:** During this phase a panel will ask the applicant questions that may or may not be job related. The panel may ask questions regarding your background investigation.

5. **Chief' Interview:** Candidates that are selected for the oral interview will have a chief's interview as well. Recommendation for hire will be made after all candidates have had their chief's interview.
