1200 New Jersey Ave, SE  
Washington, DC 20590

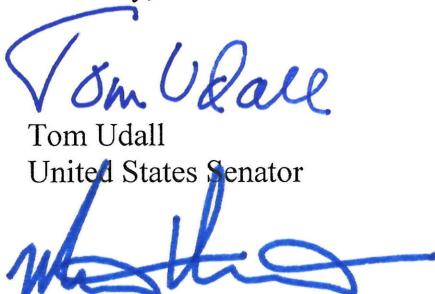

Dear Secretary Chao:

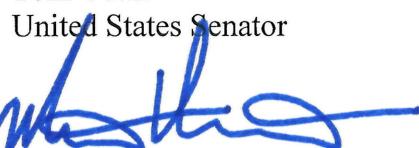

The New Mexico Congressional Delegation writes in support of the grant application submitted by the Village of Los Lunas for the FY 2018 National Infrastructure Investments grant program as funded by the Department of Transportation. This grant, DTOS59-18-RA-BUILD1, will allow the Village to begin design and construction of Phase I.

Phase I of the project would include a new I-25 interchange as well as an eastward extension to New Mexico State Road 314. The Village has coordinated with the Mid-Region Council of Governments to complete a corridor alignment study and has taken the initiative in acquiring the right-of-way to move this project forward.

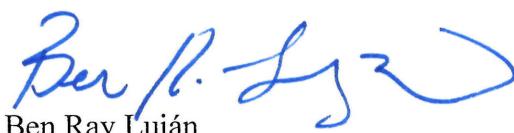

The New Mexico Congressional Delegation proudly supports the application submitted by the Village of Los Lunas for the FY 2018 National Infrastructure Investments grant program as funded by the Department of Transportation, and we request that you give their application thorough consideration within your agency's guidelines.

Sincerely,
